Practice Log for _____ Start Date _____

Try to practice at the same time each day. Fill in the upper triangle with the date of the month and the lower triangle with total minutes practiced. Your goal is **3 hours per week or more - Parent initials are required if you fall under this total.** You get half credit for all drumming done outside the assigned lesson plan and an automatic 30 minutes for attending your lesson.

Week								Total	Week								Total
1									19								
2									20								
3									21								
4									22								
5									23								
6									24								
7									25								
8									26								
9									27								
10									28								
11									29								
12									30								
13									31								
14									32								
15									33								
16									34								
17									35								
18									36
